## BYO

To bring, or not to bring?

Bringing your own is considered a sacred institution  
But spare a thought for those whose hospitality you're enjoying  
Because bringing more ice to the Eskimo's party just isn't cool!

So, if you've got a special bottle tucked away  
Something rare and delicious intended to share  
Do us the courtesy of calling first  
Provided it's something we don't already stock  
It'll be \$15 per bottle  
And we'll serve it with the care and grace you expect

# NEBBIOLO

## KING OF WINES, WINE OF KINGS

*The title says it all.*

*Fragrant, savoury, chewy and tannic, it is not a drink for wine novices.  
However, it is a taste, once acquired, that provides peerless drinking enjoyment.  
An incomparable gastronomic wine and a decidedly adult experience.*

# GRENACHE et al

## *Game of Rhones*

A complex and riveting saga of rivalry and intrigue.

One realm, yet so many varieties laying conflicting claims for supremacy.

While Grenache may have the most legitimate claim to the throne in the South and Shiraz reigns in the North, it is the contributions made by the many lesser known varieties that make these such compelling and seductive wines.
