Welcome to Publishers Hotel!

*Fancy a drink?
We at Publishers sure do.
So here's a selection of our current favourites
Chosen carefully for your enjoyment
beverages coming from both near and far*

*A tasty beverage is an adult experience
It's a clear punctuation mark in life's daily round
Be it a full stop to a day's work done
A question mark on what's to come
Or an exclamation mark as the game's begun*

*So thumb through these pages
As we're sure you'll find within
A drink for today's occasion
And a reason to raise a glass*

Cheers!

BYO

To bring, or not to bring?

Bringing your own is considered a sacred institution
But spare a thought for those whose hospitality you're enjoying
Because bringing more ice to the Eskimo's party just isn't cool!

So, if you've got a special bottle tucked away
Something rare and delicious intended to share
Do us the courtesy of calling first
Provided it's something we don't already stock
It'll be \$15 per bottle
And we'll serve it with the care and grace you expect

NEBBIOLO

KING OF WINES, WINE OF KINGS

The title says it all.

*Fragrant, savoury, chewy and tannic, it is not a drink for wine novices.
However, it is a taste, once acquired, that provides peerless drinking enjoyment.
An incomparable gastronomic wine and a decidedly adult experience.*

GRENACHE et al

Game of Rhones

A complex and riveting saga of rivalry and intrigue.

One realm, yet so many varieties laying conflicting claims for supremacy.

While Grenache may have the most legitimate claim to the throne in the South and Shiraz reigns in the North, it is the contributions made by the many lesser known varieties that make these such compelling and seductive wines.
